Dear Friends,

Our Retreat at the Lodge in Cloudcroft is now scheduled for May 21-23 at a lower price\*\*\*!

The Retreat is a wonderful opportunity for study, discussion, community-building and social time in a beautiful natural setting.

I have been leading Retreat weekends for thirty years. Many who have participated have told me Retreat is a highlight of their synagogue and Jewish experience.

The enclosed brochure will give you details on Retreat, its theme and schedule.

Susie and I hope you will join us for a warm and fulfilling weekend.

Shalom,

Rabbi Paul J Citrin
